VERIFIED STATEMENT CLAIMING SMALL ENTITY STATUS

I am empowered to act on behalf of the small business concern Sagami Electric Co., Ltd., 1990, Yasashicho, Asahi-ku, Yokohama-shi, Kanagawa 241-0811, Japan.

The above identified business qualifies as a small business concern as defined in 13 CFR 121 and referenced in 37 CFR 1.9(d), for purposes of paying reduced fees to the United States Patent and Trademark Office, in that the number of employees of the concern, including those of its affiliates, does not exceed 500 persons. For purposes of this statement, (1) the number of employees of the business concern is the average over the previous fiscal year of the concern of the persons employed on a full-time, part-time or temporary basis during each of the pay periods of the fiscal year, and (2) concerns are affiliates of each other when either, directly or indirectly, one concern controls or has the power to control the other, or a third party or parties controls or has the power to control both.

Exclusive rights under contract or law have been conveyed to and remain with the small business concern identified above with regard to the invention entitled

"MAGNETIC SENSOR SWITCH"

by Kikuyoshi Nishikawa, described in the patent application filed herewith.

I acknowledge the duty under 37 CFR 1.28(b) to file, in this application or any patent issuing therefrom, notification of any change in status resulting in loss of entitlement to small entity status prior to paying, or at the time of paying, the earliest of any fee including the issue fee or any maintenance fee due after the date on which status as a small entity is no longer appropriate.

All statements I have made herein of my own knowledge are true and all statements I have made on information and belief I believe to be true. I made these statements with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application, any patent issuing thereon, or any patent to which this verified statement is directed.
